

*We Have the Victory*

06-28-20

Word from the Lord

---

Oh, do not look down. No, no, no; do not be afraid says the Lord. Do not let fear overtake you. No, no, no, no; rejoice and be glad and shout for joy! For as you stand with Me the victory is sure. Begin to laugh and shout for joy! Oh, you see, I have all authority; I see what is happening says the Lord. I do not fear, and you are in me. Do not fear the things which are coming upon the earth says the Lord; but just rejoice in me. For you and I together shall secure the deliverance of many. Oh, yes, come and dwell with me. Come draw near to me. Oh, watch and see. Oh, watch and see the victory; for the victory is great. Yes, the battle may look pretty bad at the moment, but do not be moved by what you see. Look at my word and see the victory.
